

2008 Fielders Club-Soccer Ad Program

The 2008 Soccer season is just around the corner. We are hoping to get a head start on our season and begin some fund-raising for our girls and boys soccer program. This is being spearheaded by some of our 2009 seniors who participate on the boys and girls soccer teams. This is *strictly voluntary* on the player's part; however, this will benefit the entire soccer program and should be a team effort.

The 2008 program will include Varsity, Junior Varsity as well as Ninth Grade teams. The program will be a combined boys and girls game program that will be handed out at all night matches. All profits from this program will be split equally between the boys and girls program.

We believe if we begin this fund-raising now, we will be able to secure more advertisers and have a very successful fund-raising campaign. If you have any questions please do not hesitate to contact John Thaeder at Thaeder1@comcast.net or Patty Carney @ pcarney@derema.com. We have attached an advertising form with a price list. These forms will also be distributed to the boys and girls during their summer preseason training as well as on their websites.

Additional information and updates will be shared with parents at the respective parent meetings.
