The Fielder's Club

A parent run booster club to support the Soccer programs at Unionville High School.

The Fielder's Club financially supports the boys and girls soccer programs. Your \$30 donation will offset the cost of spirit dinners, varsity T-shirts, photos, senior night, coach's gifts, additional training fees, financial support to the training room, coach's wish lists, senior plaques, district trophies, and our new websites. Our objective is to have all families donate at one time to eliminate being "nickel and dime" throughout the season.

This year we will be going GREEN. We are in the process of adding all Fielder's Club information to our websites which are funded 100% from your Fielder's Club donations.
